

HORLEY IN 2020

Online Photographic Competition

Open to the residents of Horley & Hookwood

Hi everyone, we are holding an online Photographic Competition to show how local residents have been using the outdoor spaces in Horley during the 2020 Pandemic. This is a one-off competition and for once isn't just about flowers but also about how people have used local outdoor spaces, be it as a playground, gym, place of sanctuary or simply the views through their windows. In addition, you may have photos, showing how pets and wildlife have been behaving outdoors this year. This competition will only be open to Horley & Hookwood residents and will be judged online, with prizes being awarded towards the end of this year. With your permission we aim to keep the photos as an archive of Horley at this time, possibly with an exhibition of the photos, maybe in the Library at some point.

There will be three Categories, Nursery & School Years 6 and under, School Years 7-11 and Adults 16+ (Maximum 10 entries per person)
